Critical Issues In Qualitative Research

Preview. An American Journal of Nursing 1994 Book of the Year. Theoretically rich and stimulating, Critical Issues in Qualitative Research Methods targets matters inherent in qualitative research. It addresses some of the lesser-known or explicated qualitative research methods (such as ethology), the essential concepts of rigor and evaluation, dilemmas in data collection, and issues of scientific misconduct.

Critical Issues in Qualitative Research Methods | SAGE ...

The issues of soundness of qualitative research are examined in this book. Contributors discuss how a researcher does qualitative research, considering such questions as: whether one deviates from the developer's protocol and what the ramifications are of such deviation, how students learn to acquire the conceptual skills necessary to conduct qualitative inquiry, and how theory "emerges" from the data.

Ethical and Representational Issues in Qualitative ...

One of the critical decisions in a qualitative study is whom or what to include in the sample—whom to interview, whom to observe, what texts to analyse. An understanding that qualitative research is based in experience and in the construction of meaning, combined with the specific research question, should guide the sampling process.
