Cromwell's convincing military successes at Drogheda in Ireland (1649), Dunbar in Scotland (1650) and Worcester in England (1651) forced Charles I's son, Charles, into foreign exile despite being accepted and crowned King in Scotland. From 1649 to 1660, England was therefore a republic during a period known as the interregnum ("between reigns"). A series of political experiments followed, as the country's rulers tried to redefine and establish a workable constitution without a monarchy.
