Military History and Museums Military History. The United States armed forces date to 1775, when America needed a defense force to protect the original 13 colonies from a British invasion. Today, there are five branches: The United States Army is the oldest (established June 14, 1775) and largest of the five branches. Soldiers are responsible for performing land-based military operations.

America's Founding Documents | National Archives

The history of the United States started with the arrival of Native Americans around 15,000 BC. Numerous indigenous cultures formed, and many disappeared in the 1500s. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first nation whose ...

In 1825, James Madison and Thomas Jefferson discussed by letter the kinds of texts that should be required reading at the recently founded university in Virginia. "It is certainly very material that the true doctrines of liberty, as exemplified in our Political System, should be inculcated on those who are to sustain and may administer it," Madison wrote. "It is, at the same time," he ...
