Kymco People S 250 Scooter

Kymco USA's original 2007 line of People S scooters consisted of 50, 125 and 250 models, with the 250 model being an entirely different scooter with its own frame, motor and body style. For 2008, Kymco USA added a 200cc model based on the smaller body style. At this time Kymco was also selling their similar People (non S) models, so for 2009 Kymco decided to reduce the overlap and keep only the smaller People scooters (50, 150) and larger People S scooters (200, 250).
