The Freedom of
Information Act (FOIA)
is a law that gives you

Access PDF Information

the right to access information from the federal government. It is often described as the law that keeps citizens in the know about their government.

FOIA.gov - Freedom of Information Act

The right to property or right to own property is often classified as a human right for natural persons regarding their possessions. A general

Acces PDF Information

recognition of a right to private property is found more rarely and is typically heavily constrained insofar as property is owned by legal persons and where it is used for production rather than consumption. A right to property is recognised in Article 17 of the Universal Declaration of Human Rights, but it is not recognised in the International Covenant

**Right to property -
Wikipedia**

Private property and freedom of choice in a market system have the following implications, except large firms are allowed to coerce other firms and individuals. The use of money contributes to economic efficiency because
