**Inventing The Future Postcapitalism And**

—Paul Mason, author of Postcapitalism: A Guide to Our Future “Smicek and Williams demonstrate how a sustainable economic future is less a question of means than of imagination. The postcapitalist world they envision is utterly attainable, if we can remember that we have been inventing the economy all along.”

**Inventing the Future (revised and updated edition ...**

However, he also argued that inventing the Future and Paul Mason’s PostCapitalism dispensed with ideas of humanism that, he claimed, should be central to a left-wing project: “these books have been treated uncritically despite the reappearance of anti-humanist thinking within the left. Humanism needs to be defended; or, as Orwell wrote, “the job of the thinking person is not to reject socialism but to make up his mind to humanise it”.

Inventing the Future is a documentary exploration of the themes and ideas found in the best-selling book Inventing the Future: Postcapitalism and a World Without Work. By imaginatively creating positive visions for the future and harnessing the power of technology, this film explores what a post-work world might look like.

**Kickstart Sunday: INVENTING THE FUTURE | Film Pulse**

Post-capitalism is a state in which the economic systems of the world can no longer be described as forms of capitalism. Various individuals and political ideologies have speculated on what would define such a world. According to some classical Marxist and some social evolutionary theories, post-capitalist societies may come about as a result of spontaneous evolution as capitalism becomes obsolete. Others propose models to intentionally replace capitalism. The most notable among them are sociali

**Post-capitalism - Wikipedia**

According to Inventing the Future, our postcapitalist utopia will be achieved through gradual automation of work, freeing up the population for more fulfilling activity. However, in order to offset the mass unemployment and under-employment this process will create, they advocate an adoption of the Universal Basic Income (UBI) policy.
