Theory and Design for Mechanical Measurements, Fifth Edition

Read PDF Mechanical Measurements 5th Edition

The separate areas of applied measurements help students see the relevance of mechanical measurement to their own field of interest and offer motivation by addressing real-world measurement problems. The new fifth edition builds on these hallmark features and contains many new topics that reflect changes in the field.

Mechanical Measurements, 5th Edition - Pearson

With the fifth edition of Mechanical Measurements considerable changes and improvements have occurred. Foremost a new co-author, Dr. John H. Lienhard, has been added. In addition, more than half of the chapters in the book have been substantially revised.
