Realizing Awakened Consciousness

In Realizing Awakened Consciousness (RAC), Richard P. Boyle, a retired sociology professor involved with western Buddhism for several decades, interviews 11 western Buddhist teachers and attempts to develop a theory of awakening with a straightforward model for understanding its core characteristics that leaves Buddhist terminology behind. Divided into 17 chapters with the first 11 dedicated to individual interviews with teachers, Boyle draws on his own sociology background and the work of a ...

I'm excited to share "Interviews With Innocence" a podcast that will showcase a variety of experts and others in the fields of consciousness, spirituality and mindfulness. My hope is that these interviews will illuminate the spiritual wisdom our young share and remind us to slow down, be more present, loving, grateful and childlike.

I did an interview with Google once, and that's the sum total of my experience with these interviews. This was probably 7 or 8 years ago. They reached out to me about some senior developer position. A bit star struck, I agreed. I didn't prepare for the interview because I didn't know that was a thing.
