People who were used as the Anchor for the spell of the Other Side were able to live on both the Other Side and the realm of the living, and as a result, they gained the abilities of mediumship; however, unlike typical mediums, the Anchor can see and interact physically with every ghost, even if they don't know them personally. Amara was the first Anchor to the Other Side, and held the role for over 2,000 years, until the role was eventually transferred to Bonnie, who at the time was a ghost ...

Right-sided middle back pain can be a result of inflammation in your rib cage area, problems with the vertebrae in your thoracic spine, spinal injuries, or muscle or ligament strain. Middle back and rib pain can also be caused by organs under your ribs like kidney stones, gallbladder pain, or lung disease.

### Pain in The Right Side of Back Under Ribs: What does it Mean?

It wasn't as if I was scared of what was waiting on the other side. I just felt it wasn't time to go yet. I remember audibly saying that I wasn't ready yet. I woke up in the ambulance, with the EMT hovering over me. Coming back into reality was slow going, and his voice was a groaning mockery of my choice.

### The Other Side by Tonight Alive on Apple Music

In life, for We have to use our intuition to guess at the picture that might be on the other side the most part, we only see the back. We have to use our intuition, our knowledge, our wisdom, to try to fit the parts together, to guess at the picture that might be on the other side. But on that night, I, the agnostic, was granted a rare privilege.
